

## HRCEF College Financial Statement

**Student Name:**

Please answer the following questions. Expand on to the next page if necessary.

**What are you doing (and what have you done) to help finance your college education? (e.g. work)**

**How are your parents supporting your post-secondary education?**

**List other scholarships you have received in the past and scholarships you expect to receive next year (e.g. scholarships from your college or other national, state, or local scholarships).**

**Explain any special circumstances that have affected you and/or your family's financial situation and your ability to finance your education.**
